31 March 2021

Dear Valued Partners,

I am pleased to inform you that Gary Wong has been appointed President & CEO, AIG Philippines, effective 17 March.

Gary will provide strategic direction and operational oversight to our businesses in the Philippines, Guam and Micronesia. He brings almost 40 years' industry experience to this role and is a veteran of AIG, having spent 26 years working in Asia across a broad range of business lines, client segments and distribution channels.

I also want to take this opportunity to let you know that Mike De Leon, our interim President & CEO, will be retiring on 31 March 2021 after spending 40 years in the insurance industry, more than 18 of these with AIG.

AIG has had a long history in the Philippines, and Gary's appointment demonstrates our ongoing commitment to this market as we continue to deliver enhanced value to our partners and clients.

Sincerely,

Cyndi O. Villamor
